

IN MEMORIAM

Joanne Catan - 1951-2012

Our subscription manager passed away December 7, 2012 after a short illness. She is survived by her husband Steve, two sons, Domenic and Michael, her Mother, three siblings, and many aunts, uncles, nieces, nephews, and cousins.

Joanne was our subscription manager for four years. Everyone who worked with her – Fibonacci Association members and her colleagues at RIT where she was an administrative assistant for many years – found her warm and helpful. We miss her a lot.
