BINDERS NOW AVAILABLE

The Fibonacci Association is making available a binder which can be used to take care of one volume of the publication at a time. This binder is described as follows by the company producing it:

"...The binder is made of heavy weight virgin vinyl, electronically sealed over rigid board equipped with a clear label holder extending 2 -3/4" high from the bottom of the backbone, round cornered, fitted with a 1 1/2 " multiple mechanism and 4 heavy wires."

The name, FIBONACCI QUARTERLY, is printed in gold on the front of the binder and the spine. The color of the binder is dark green. There is a small pocket on the spine for holding a tab giving year and volume. These latter will be supplied with each order if the volume or volumes to be bound are indicated.

The price per binder is \$3.50 which includes postage (ranging from 50¢ to 80¢ for one binder). The tabs will be sent with the receipt or invoice.

All orders should be sent to: Brother Alfred Brousseau,
Managing Editor, St. Mary's College, Calif. 94575
